

DESOI PowerPump 18

No. 13772

Description

The compact and powerful hose pump DESOI PowerPump 18 convinces with its easy operating and gentle delivery of the material. The machine can be continuously regulated with the remote control.

Material to be used

- Machine usable jointing mortar

Delivery range

moving device, 8 m material hose Ø 25 mm with lock-typed Geka coupling, pointing head with infinitely variable rate regulation and safety shutdown, 30 l material container made of polymer, incl. instruction manual

No. 13652: Cleaning balls (Ø 25 mm, for material hoses Ø 19 mm), No. 13653: Cleaning balls (Ø 35 mm, for material hoses Ø 25 + Ø 35 mm)

Advantages

- Conical material container
- Gentle material transport
- No back pressure when closing the ball valve
- No cross-section reduction
- Constant delivery pressure
- Forward and reverse running

1. Operating panel

2. Delivery control

Technical data

Power supply	230 V
Motor power	0,37 kW
Delivery rate	1 - 2 l/min
17600	i = 80
Protection class	IP55
Grain size	max. 4 mm
Filling height	83 cm
Weight	ca. 36 kg
L x W x H	84 x 54 x 99 cm
